

The Cleanist is pleased to announce that we have added an additional Tailor to our staff!

We would like to welcome Cepta Graceffa to our team. Cepta has decades of experience in all areas of tailoring, from hemming and alterations to prom and bridal gown work.

Cepta will be working along with our longtime tailor Cristin Brennan covering our tailor shops in Duxbury and North Plymouth. We are very excited to have an additional tailor as it will greatly increase our turnaround time for alterations.
